

Join us at the Activity Center for Community Blood Drives

Due to special COVID-19 precautions being taken at Fort HealthCare, this month's blood drives are NOT being held at Fort Memorial Hospital.

Remember to register in advance at the individual event links listed below. Please also remember to bring a photo ID with you to the event. Thank you for donating!

To help manage social distancing, we are strongly recommending all donors schedule an appointment. Walk-ins will be seen as group size allows.
